

Intercom with Video and Card Reader

Overview:

The Akuvox R20A IP Doorphone enables you to easily monitor an entrance door or gate and gives you the peace of mind knowing that your facility is more secure. The R20A is a POE (Power Over Ethernet) Device with built in RF Card Reader. Included in the compact design is the powerful 3MP Camera for HD Video call function.

The perfect solution for office doors with on-site or hosted IP-PBX.

Other application scenarios include:

- ✔ Remote site entry over Internet
- ✔ Apartment/flat intercom with door access control

The R20A intercom works seamlessly with our touch screen internal monitors C315S or IT82W.

Intercom with Video and Card Reader
