

A decorative graphic on the left side of the page, consisting of multiple overlapping, curved lines in shades of pink, purple, and blue, forming a circular, abstract shape.

A Range of **UL Approved enclosures** to provide a housing for interface boards.

Overview

This range of UL approved enclosures provides a housing for interface boards. The enclosures are all key lockable and have tamper protection on the door & removal. The mild steel enclosure provides protection and the neutral colour will blend in with most surroundings. The enclosures can be used where UL approval is required for access and security applications.

Key Features

- UL Certified to UL294
- Tamper protection door and removal
- Key lockable
- Neutral colour

Key Benefits

Choice

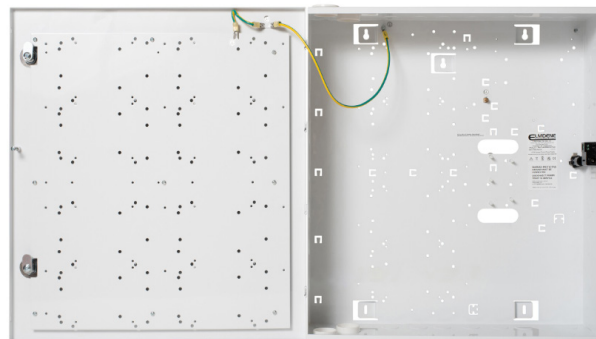

A choice of UL approved PSU enclosures that offer a discrete solution for power and accessory distribution

Approvals & Compliance

A wide coverage for sales in most markets

UL Approved Enclosures
