* Mandatory information

Please provide us the OnGuard License file per email with the Vanderbilt purchase order no. as reference. Send it to: orders.international@acre-int.com

Activation will be performed within 3-4 working days)

Wait for our confirmation mail which will include a SPC OnGuard plugin activation file.

The license activation file needs to be copied into the following folder: C:\Program Files (x86)\OnGuard\ (*) this is the default folder and can be different based on your OnGuard installation settings.

For more information about the license registration process, please check out the: "SPC OnGuard plugin commissioning guide".
